

October is **Breast Cancer Awareness Month** and there is no better time to help make more impact. Broner is partnering with its suppliers to match their donations through the end of 2011 on the purchase of the items shown here. Donations will help the Breast Cancer Research Foundation and the American Cancer Society.

 Double the Contribution Results!**

PINK® is a registered trademark of Colour World, LLC.

Double the Donation! Order now through the end of the year and Broner Glove and Safety will donate \$1 per dispenser box in addition to Showa Bests donation.

Showa Best Glove's N-DEX® BWC™ (Because We Care) nitrile gloves enables disposable glove wearers to show their support of cancer survivors while enjoying all the characteristics associated with the Best N-DEX hand protection. These 100% nitrile, non-latex medical grade gloves are part of the world renowned N-DEX family of disposable hand protection proudly manufactured in America. N-DEX BWC gloves are ambidextrous, 9.5" long, 4-mils thick with textured fingertips and are packed 10 dispensers of 100 gloves per case.
